

READ BEFORE YOU SIGN!

- 1) Ask your friends, family, neighbors, coworkers, if they are registered voters. If yes, they can sign!
- 2) Ask if they are ready for another option in politics, new leaders for the people and not for themselves.
- 3) Share your reason why you support Miller/ Reitenour.
- 4) Ask for a signature and explain we need 40,000 signatures for Miller/ Reitenour to be on the general ticket. If all of us sign and contribute \$25 that will ensure \$1,000,000 when we turn in signatures. That will allow the message to get out through commercials and mailers!

HOW YOU FILL OUT THE FORM!

- 1) Look at the upper right-hand corner and make sure the county on the paper corresponds with the county your signee lives in.
- 2) Please stay within the lines and boxes of each segment. If written outside the lines, your signature will be disqualified.
- 3) Under “date of birth,” it follows this format MM/DD/YYYY. If you fail to add all four digits for your year of birth, your signature will be disqualified.
- 4) After “date of birth” is your address. The first box is for your number, then your street. There is a separate box for your town and ZIP code. If done incorrectly, your signature will be disqualified.
- 5) DO NOT write in any of the light gray fields. Those are for the county offices. If done, the whole page may be disqualified.

**Please email management@jamie4ingov.com with the number of signatures collected with the corresponding counties.
And if you are coming to June 15.**

PLEASE CUT OFF THE TAB BELOW AND TAPE IT TO THE ENVELOPE. (ONE PER COUNTY)
